Luther Pollard, now 89 years of age, has lived and worked in Plymouth since 1931.

His years in town include service as supervisor of the checklist, Justice of the Plymouth Municipal Court, Bail Commissioner, and Trustee of Trust Funds.

Mr. Pollard has served as moderator, clerk, treasurer and commissioner of the Plymouth Village Fire District. In the School District he has been moderator and a member of the board.

As a long-time member of the Masons he has maintained close association with the Rainbow Girls Assembly and Order of Demolay Boys. He is an ordained minister of the Universalist Church. He is a very active member of the Plymouth Congregational Church.

Luther Pollard has contributed long years of service to this community. It is for that service that we express our appreciation with the dedication of this Town Report to him.

## TOWN MEETING — MARCH 11, 1969

---

A legal meeting of the inhabitants of the Town of Plymouth was held in the Guy E. Speare Auditorium on Tuesday, March 11, 1969, and opened at 10:00 o'clock in the forenoon by Moderator, Attorney George T. Ray, Jr. reading from the 1969 warrant. It was voted to dispense with further reading of the warrant until 7:30 o'clock in the afternoon. Moderator Ray then declared the polls open to ballot on Articles 1 and 2 and to close not earlier than 6:00 o'clock in the afternoon.

At 7:30 o'clock the meeting was opened with a salute to the flag lead by the Moderator. Following the flag salute, Moderator Ray announced that Dr. Harold H. Palmer, to whom this year's Annual Town Report was dedicated, had passed on during the day. Dr. Palmer, he said, had served as a physician in this area for nearly sixty years and would be greatly missed in the community. Another announcement was read by the Moderator regarding new air service in Northern New Hampshire by Northeast Airlines. A standing ovation was given to Helen F. Person who is retiring after faithfully serving Plymouth as Town Clerk and Town Treasurer. Moderator Ray announced that the polls were still open for those who had not yet voted on Articles 1 and 2. Again it was moved and carried that the reading of the lengthy warrant be dispensed with. Articles beginning with number three were then taken up.

## Report of Fire Calls Made During the Year 1969

---

The Plymouth Fire Company responded to ninety-five calls

### Breakdown of calls:

Box Alarms	43
Squad Calls	17
Mutual Aid	7
Out of Town	5
Silent Responses	3
Miscellaneous	11
False Alarms	9

The year of 1969 has become history with the fire department moved into its new quarters.

The Plymouth Ambulance Service is housed in the fire station. The people of Plymouth should be justly grateful to the men who man this service.

In the interest of fire prevention on a yearly basis, anyone wishing an inspection of home or business for fire safety may call the station and make an appointment. We will gladly make an inspection and make recommendations if any appear necessary. If we can help you prevent a fire, then we have accomplished our goal.

Respectfully submitted,  
LOUIS A. SLEEPER, Chief  
Plymouth Fire Department

ANNUAL REPORT  
Year Ending December 31, 1969  
DONATED FOOD PROGRAM

---

On September 24th the Selectmen signed an agreement with the Grafton County Commissioners to receive donated food commodities from the N. H. Distributing Agency and the U. S. Department of Agriculture for distribution to eligible needy families. Mrs. Samuel L. Abbott, Jr. and Mr. and Mrs. Wallace S. Stuart, a volunteer group, were appointed by the Selectmen as their agents to operate the program for the Town.

The donated or "surplus" food is delivered to the Town once a month. The food storage closet and refrigerators are located in the basement of the Congregational Church. Food is distributed at the church on the Friday evening following the day of delivery from Concord.

To participate in the program, individuals and families must meet state determined eligibility requirements based on income and other resources. All persons receiving public assistance from the town, county, or state are automatically eligible.

In November, the first month of the program, 21 eligible families, including 50 people, were served. In December, 27 eligible families, including 62 people, were served. As of December 31, there were 28 families, including 69 people, certified to receive foods.

We wish to thank the following people for their help:

Board of Trustees and Reverend P. V. George of the Congregational Church for making church facilities available. The Community Closet Committee for offering funds to start the program. Plymouth Furniture Company and Rand's Hardware for supplying equipment. The former Mrs. Bonnie Vaillant and Mrs. Mildred Emerson for contacting eligible recipients. Mr. Charles Brayley and students from Plymouth State College for helping set up the food distribution center. Mrs. Helen Hillier and Mr. Jerry Buckley, case-workers for the N. H. Dept. of Welfare, for assisting their clients to make out applications.

If anyone would like to apply for or desires information on the donated food program, feel free to contact us.

Respectfully submitted,  
MRS. SAMUEL ABBOTT, JR.  
MR. & MRS. WALLACE S. STUART  
Agents for the Selectmen

## PLYMOUTH PUBLIC LIBRARY

### Annual Report—1969

---

#### To the Trustees:

1969 was marked by the addition of some very fine gifts to our library. The Young Ladies Library Association donated the eleven volume set of the authoritative "Dictionary of American Biography". From the Speare Fund we have purchased the Town & City Atlas of New Hampshire dated 1892; also the History of Warren, N. H., by Little; Passaconway in the White Mountains, by Beals; and Indian Legends of the White Mountains, by English. These books about New Hampshire are all "out of print" and difficult to find, so we are fortunate indeed to own them.

During the year we have been able to take advantage of the TWX system of rapid communication between Lamson Library of Plymouth State College and the State Library. Our requests for special material needed by individuals among our patrons are relayed from Lamson Library to the State Library. This saves postage as well as time.

We had during the summer four visits of the Headstart classes. About thirty children made up the group. We entertained two meetings of the North Country book evaluation group, sponsored by the Bookmobile people. Your librarians attended two other professional meetings.

Two people have generously given time to help in routine work of the library. Mrs. Rowena Wixson has given 34 hours and Lisa Natale, a high school girl, has given seventeen hours. Both have been rewarding experiences for the librarians.

Respectfully submitted,

ALICE B. DICKINSON, Librarian

## CIVIL DEFENSE UNIT REPORT FOR 1969

---

I received a budget of \$1,390.00 for the year 1969. It was used during the year to outfit eight men who are now members of the unit. I lost one man during 1969 and so there are 20 uniformed, trained men in the unit now.

It is my intention this year to put on 4 new men to bring the total up to 24. The final goal is 30 and that may be accomplished by 1972 as per schedule.

The unit was involved in a state-wide flood threat alert last spring and a local flood alert last December, 1969.

The unit was trained in First Aid, for Ambulance service, Radiological course for Monitors, police training and the Personal Family Shelter Survival Course during the past year.

The Civil Defense Unit personnel were used by the local police department during 1969 to take up the slack where men were not replaced who had resigned, and during vacations, etc. The men totaled approximately 125 to 150 hours per man during the year for all activities.

I picked up a 10 wheel, stake body truck for the Plymouth Highway Dept., for use in plowing outlying roads in Plymouth, from Army Surplus Depot, through the State Civil Defense Agency in Concord, N. H.

I was sent to a 3½ day school in Massachusetts this past year for the purpose of learning more about advanced first aid, so as to train my men to work with the local ambulance service.

This unit will be handling 10,000 sand bags for the state Civil Defense Agency for use in the spring flood areas this year and we are making advance preparations now so we will not be caught off guard.

The year 1970 will bring about more training for the men and continued support for the unit by the townsfolk, I'm reasonably sure.

This unit would be delighted to receive more townspeople into its ranks and you may get applications for membership from the Local Director.

My deepest appreciation to my men and my fellow townsfolk for 1969. I'll continue to strive for a much better unit for 1970 as well as assist any and all those people in Plymouth who need my help.

Respectfully submitted,  
ALLEN K. MacNEIL, Director  
Plymouth Civil Defense Unit

The proposed 1970-1971 appropriation calls for an increase of \$2,012.00 over the 1969-1970 appropriation.

The primary reasons for the increase are:

1. establishment of swimming programs which were not included in the 1969-1970 budget;
2. necessity to compensate for applying the 1968-1969 surplus of \$4,176.92 to 1969-1970 expenditures.

## REPORT OF PARK AND RECREATION DIRECTOR

---

Growth, expansion, increased participation, and efficient operation are the items to be reported by the Park and Recreation Department this year.

In 1966, the first complete year with a full-time director, the program consisted of nine activities, cumulative attendance was 9,433, total spending was \$17,039.45 and the tax appropriation was \$11,345.00.

Now, two directors later, the program includes 25 activities, cumulative attendance is up to 12,779 with three months of operation left, total spending will be approximately \$21,745.00 and the tax appropriation is \$12,900.00.

In four years, the number of activities included in the program has almost tripled, attendance and participation have increased by more than 27%, spending has gone up \$4,705.55, and the tax appropriation has risen only \$1,555.00.

These facts and the comments of both participants and non-participants make it safe to say that the Park and Recreation Department has passed beyond the stages of infancy and childhood and into the realm of adolescence, with adulthood not too far off.

Looking back over the time since I was appointed director, brings several forward steps to mind. The Methodist Church Vestry has been secured for use as a limited facility recreation center. A 10 h. p. tractor with a rotary mower and snowblower has been acquired with the assistance of the PSC Faculty Wives Club. Several major pieces of playground equipment have been secured for installation at Fox Park. The Fox Park entrance area has been filled and graded for use as a parking lot and skating rink. Minor improvements have made the "little league" baseball field serviceable again, and brush cutting has made Fox Park a more attractive and inviting place.

Most important though is what's been happening with program. Older activities like summer playground, bantam baseball and pee-wee basketball have been improved, and new activities like flag football, baton twirling, hot wheels tournaments, an adult chorus, junior bowling and swimming at the PSC pool have produced greater interest and generated new enthusiasm. Events like last fall's flag football festival are a real source of satisfaction and a good indication of increasing public support.

As director, I am pleased with the progress we have made and the cooperation we have received. Plymouth State College, the Rotary Club, the Water and Sewer Department, WPNH, the Lions Club, the Police Department, the Plymouth Record, the Business and Professional Women's Club, the Highway Department, the Royal Eagles Drum and Drill Corps, the Elks Club, the Chamber of Commerce, the Fire Department, the Golden Cadets Drum and Bugle Corps, the Plymouth Athletic Club, the School Board, the Civil Defense Department, Tenney Mt. Corporation and Lakeside Lanes have all helped in one way or another. In addition, hundreds of interested, concerned individuals have given their time and effort by serving as volunteer coaches, officials, leaders and chaperones without whom few of our activities would have been possible.

At this time, I want to thank each and everyone who has helped in any way. I also want everyone to know that both my wife, Jane, and I are grateful for having been given the opportunity to move to Plymouth and make this community our home.

William H. Broadrick, Jr.

## INFORMATION BOOTH REPORT

---

January 30, 1970

Board of Selectmen  
Town of Plymouth  
Plymouth, N. H.

Gentlemen,

The Information Booth was opened June 28, 1969 and closed August 31, 1969.

It was most efficiently operated, as usual, by Miss Hazel Downing who served 4,346 cars and 13,590 people. This was 399 fewer cars than 1968 and 3,697 people. Part of this decrease was due to the spell of bad weather and partly due to decreased travel.

Travelers were recorded from every state in the country except nine, from six Canadian Provinces and from seven foreign countries, not including Canada.

The Chamber of Commerce extends its thanks to the tax payers of Plymouth for their help in supporting the operation of the booth. All of the money contributed by the town was paid direct to the attendant in salary.

Respectfully submitted,

CLARENCE H. JONES, Secretary

**PEMI-BAKER HOME HEALTH AGENCY, INC.**  
**ANNUAL REPORT TO THE TOWN OF PLYMOUTH**

---

For the fourth year in succession, we are asking \$1,335 to be appropriated by the town of Plymouth toward the support of our visiting nurse and therapeutic service in this town.

During the year of 1969, 1,662 professional calls were made to residents of Plymouth by members of our staff. This represents an increase of 476 calls over 1968.

Over the three years of our service to the people of Plymouth, and other member towns, we have found that a very large percentage of our calls are to persons under the Medicare Program. We hope that it is understood that our nursing and therapeutic services are available to everyone; and we are always ready to help wherever help is needed in caring for the sick at home. Anyone who desires more information about this is invited to call or write our office on Main St.

Respectfully submitted,  
MADELINE VANHAGEN

## AMBULANCE REPORT

---

Since the start of the Plymouth Ambulance Service August 1, 1969 to the first of the year 1970, we have had 85 runs, broken down into: 52 in-town runs, 33 out-of-town runs. 13 of the 85 have been auto accidents. We have had a variety of cases from childbirth to some very serious auto accidents.

A training program for ambulance personnel is being set up to cover advanced First Aid, and also a course of Ambulance and Rescue training.

We are holding regular monthly meetings for all personnel.

We are meeting with Hospital personnel, Police, Fire, etc. to improve working relations with all concerned.

If any Citizens are interested in the Ambulance, we are open 24 hours a day. We have one of the best equipped Ambulances in this state.

We wish to thank the hospital Staff and Employees and also the Police Department for their cooperation to make this Service a success.

Now I would like to pay special tribute to a special breed of men. These are the men from the Civil Defense, the Fire Department and the Police Department who have been manning the ambulance; giving up their time, warm beds, taking time away from their families, their jobs, their businesses to answer the call of help from someone in trouble. Without this dedication to helping fellow men where would we all be ? You hear everyday, "I don't want to get involved". Aren't you glad these men are involved?

GEORGE A. WENDELL

Director

## PLYMOUTH PLANNING BOARD'S ANNUAL REPORT

---

The year 1969 has been a very busy one, from the day of the annual town meeting last year when it was the vote of the townspeople to develop a master plan for the orderly growth of our town thru the present time of February, 1970. A series of meetings with various groups have been held. Suggestions and ideas stemming from these meetings are on record.

With the assistance of V. Michael Blake from the N. H. Dept. of Economics and Resources, application for federal funds via the 701 program has been made.

In the next month prior to town meeting, the board will meet with representatives of no less than five (5) planning consulting firms, after selection, and as soon as federal funds become available, then hopefully by early spring progress can start toward our "comprehensive master plan".

We are looking forward to a very busy and progressive schedule this year as well.

The Plymouth Planning Board wishes at this time to humbly express its gratitude for the support it has received from the people of Plymouth and further hopes it will always merit that support.

Thanking you sincerely,

Respectfully submitted,

HORACE A. "LONNIE" MORSE  
Treasurer-Secretary

## TRUSTEES OF TRUST FUNDS

### ANNUAL REPORT — 1969

---

The Trustees commenced the year 1969 with a determination to learn their true functions as Trustees and as a result held quite regular meetings during the year. As the knowledge of the duties of Trustees was gained we readily foresaw many problems that have, and will continue in the future, to require a great deal of time. As a result of the past year's experiences we have several recommendations to offer and at least some of these are referred to further in this report.

The first major problem confronting us during 1969 was the resignation of Mr. George Tobey as Superintendent of Cemeteries during February. Mr. Tobey had held this job for many years and had performed a splendid job. We were fortunate to obtain the services of Mr. Leonard Merrill to continue in Mr. Tobey's capacity until we could find a permanent Superintendent. It was not until December that Mr. Madison Sears was employed to replace Mr. Merrill. At Town Meeting of March 1969 Mr. Fred Young was elected as Trustee replacing Mr. Luther Pollard. Mr. Pollard had served as Trustee and as Treasurer of Trustees for many years and is to be complimented for his many hours of hard work expended in this capacity.

At the beginning of the year we concentrated on records of cemeteries in order to be able to administer this important function as the year progressed. There were a great many chores to perform in this part of our responsibilities and we have been able to accomplish only a lot of the basic work necessary to construct accurate and permanent records as we believe to be required. At no time have we found maps nor pertinent records of cemeteries for which we are responsible other than for Riverside. New maps should be prepared for Riverside and perpetual care and ownership must be updated on these maps. We have prepared much of the information necessary to complete this chore.

One of the major problems associated with cemeteries, and a recurring one, is the source of funds to provide for proper maintenance. The largest, and most active cemetery in Plymouth is Riverside. We have found that there are a great many lots in this cemetery that do not have perpetual care and many lot owners without this perpetual care that either refuse or just do not pay the annual maintenance cost. It is not wise to leave these lots unattended since they would spoil the general appearance of the entire ceme-

tery. There seems to be little or no understanding generally that cemetery maintenance is of necessity self-supporting. The town has raised only \$300 for general cemetery maintenance annually for years and has thirteen cemeteries to maintain. Rates for general lot maintenance (mowing, trimming and raking) were increased to \$15 during 1969. There were many protests resulting from this increase. The basis of the increase was a review of actual cost resulting. During 1968 the lots at Riverside were mowed approximately 21 times and during 1969 they were mowed and trimmed 27 times due to excessive growth. While we have been extremely fortunate in having to pay only \$2 per hour for this labor, the cost for mowing and trimming only, not including raking and the many other general costs involved, figures to about \$18 per year! In addition there is the need for many hours of Spring raking and trucking, mowers, gasoline, tools, etc.

Another problem that manifested itself early in 1969 was the decision to permit or not to permit winter burials. It was the unanimous opinion of the Trustees that whenever requested, and if at all possible, winter burials should be made. For this reason new burial rates were determined and established. Such rates are \$50 for summer burials and \$100 for winter burials.

At the present time the tomb roof at Riverside Cemetery is in bad need of replacement. It is hoped that this may be accomplished early in 1970. Other improvements desirable at this cemetery include paving of the main roads within the cemetery to keep dust at a minimum, it being one of the major problems in maintaining clean stones; the closing of secondary roads within the cemetery and the sale of added lots from this space; a flat leveling by loaming between lots thereby providing easier and less costly maintenance as well as to prevent the drying out of grass on the lots annually during the dry summer months; and the acquirement of additional land for burial lots, such land preferably adjacent to the existing cemetery.

The Trustees have met with the staff of the Attorney General's office twice during the past twelve months. It has been the purpose of these meetings to attempt to formulate records and record keeping practices that would conform to the requirements of their office, with those of the Tax Commission to whom we must report annually, and to provide us with basic information for the proper discharge of our duties as Trustees. In this connection we are unable at this time to provide within this report the usual report of common trusts as the work being performed causes an unavoidable delay. It is intended that a complete report of the common trusts shall appear in the local newspaper as soon as it is completed.

It is the unanimous feeling of the Trustees that the town of Plymouth should take immediate steps to remove all cemetery

functions from the Trustees of Trust Funds restoring the duties of the Trustees of Trust Funds to those as prescribed by New Hampshire law. The responsibility for cemetery care should be vested in a General Superintendent either appointed by the Town Selectmen or at Town Meeting. Our feelings in this matter are shared by the Attorney General's staff to whom we have turned for assistance. We are advised by the Selectmen that this may be resolved within the near future.

The Trustees of Trust Funds have met frequently throughout the year and are fully aware of the problems confronting the continued maintenance of cemeteries as well as with the need for establishing permanent records. It is our recommendation that each and every town report of the town of Plymouth shall list annually the names of each lot or grave sale and the name of each perpetual care fund created. We recommend this since the town report seems to be the only permanent record to which one can refer when necessary to determine this type of information. We have commenced this type of reporting this year and sincerely hope that it may be continued.

## AUDITORS' REPORT

---

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds, Treasurer of the Library Trustees, Treasurer of the Park and Recreation Commission, Justice of the District Court and Tax Collector.

The records of the individual receipts were found to be correctly cast and properly vouched. We have verified cash balances and reconciled bank statements for such officials as have town business accounts.

We have examined the securities in the Trust Funds. We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Town Trust Funds, Road Agent, Chief of Police, Town Secretary and Clerk of the District Court.

# REPORT OF THE FOREST FIRE WARDEN

## AND DISTRICT CHIEF

---

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

### Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

### Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### Escaped Fires

If a fire escapes your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

## Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.
5. For smoking or kindling a fire in woodlands when a ban on the same has been proclaimed a maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

Our thanks to everyone who helped keep our forest fires to a minimum in this area.

## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of Plymouth Village Fire District Qualified to Vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the 12th day of March, next, at 7:30 O'clock in the afternoon to act on the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose a District Commissioner for the ensuing three years.

Article 5. To see what sum of money the District will vote to raise for fire protection for the ensuing year. (Hydrant rental.)

Article 6. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefore, countersigned by the District Treasurer.

Article 7. To see if the District will vote to authorize the Commissioners to negotiate and execute a contract to supply sewerage service to the Town of Holderness, or its duly authorized sub-division, outside District boundaries, to wit, in Holderness, whereby the District will allow said Town of Holderness, or its duly authorized sub-division, to discharge sewage into the District's interceptor located on Bridge Street, at such rates and terms as the Commissioners may determine.

Article 8. To see if the District wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the remuneration paid for such service is less than \$50.00.

Article 9. To see if the District will vote to authorize the Commissioners, in their discretion, to construct an extension of a water service line from its present terminus on Parker Street approximately 300 feet in an easterly direction and to authorize the Commissioners to borrow the sum not to exceed \$1,000.00, the same in whole or in part, pursuant to the provisions of the Municipal Finance Act or to apply against said construction, income from water revenue in an amount to be determined by the Commissioners to be in the best interest of the District. (Petition)

Article 10. To see if the District will vote to authorize the Commissioners to provide water service for the so-called Cookville Section, off the Fairground Road in Plymouth, N. H. (Petition)

Article 11. To see if the District will vote to authorize the Commissioners to borrow the necessary sum, not to exceed \$20,000.00, through the issuance of a note or notes of the District in accordance with the New Hampshire Municipal Finance Act to extend the District water main from the Fairgrounds Road southerly and westerly along Cookville Road, so-called, to a point in said Cookville Road near the dwelling house of William Carpenter.

Article 12. To transact any other business that may legally come before said meeting.  
Given under our hands and seals this 23rd day of February, in the year of our Lord nineteen hundred and seventy.

### Sewage Treatment Plant

#### 1969 Work Report

---

October 1, 1969 the Sewage Treatment Plant went into full operation. From October 1 to December 31, 1969, 47,455,000 gallons of sewerage and storm water went through the Plant. From this 89 cubic yards of fresh solids were dewatered by a vacuum filter and disposed of. To filter these solids required 6,100 lbs. of Hydrated lime and 600 gallons of Ferric chloride solution.

To maintain a chlorine residual of 5 parts per million on the effluent going into the river required 5.268 lbs. of chlorine gas.

15 cubic yards of grit and sand were removed from the Influent.

## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the School District in the Town of Plymouth in the County of Grafton in said State qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said District on the 5th day of March 1970. Polls to be opened for voting on ARTICLE I at 10:00 o'clock in the forenoon and to close no earlier than 6:00 o'clock in the afternoon with action on the remaining Articles to be taken, commencing at 8:00 o'clock in the afternoon.

Article 1. To elect all School District Officers which appear on the official School District Ballot for the ensuing year.

Article 2. To hear the reports of agents, auditors and committees or officers chosen and to pass any vote relative thereto;

Article 3. To choose agents, auditors and committees in relation to any subject embraced in this Warrant;

Article 4. To see if the District will raise and appropriate the sum of Eight Hundred Sixty-Two Thousand Six Hundred Seventeen Dollars and Thirty Seven Cents (\$862,617.37) for the support of schools and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from State Foundation Aid Fund, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which leaves an estimated balance of Four Hundred Twenty-Two Thousand Seven Hundred Fifty Dollars and Thirty Nine Cents (\$422,750.39) to be raised by taxes by the Town;

Article 5. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any and all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States;

Article 6. To see if the District will establish a contingency fund to meet the costs of unanticipated expense which may arise during the year in an amount not to exceed One Thousand Dollars (\$1,000.00), all in accordance with Revised Statutes Annotated 198:4-b;

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

This has been a busy and fruitful year for the school district. The new school, which was started since my last report was written, is being erected according to schedule. Other reports to the contrary, unless there is some major work stoppage, the building will open as planned September 9, 1971. The original date for the school to be "substantially completed" was July 15. Since that time an extension of two weeks has been granted primarily because of ledge. At this writing the entire roof is on and interior partitions are being built.

I have watched the school grow from the drawing boards to its present state. You can be assured that the planning by the school board, teachers and architects has been of a very high calibre. There is no question in my mind, as I have stated on previous occasions, that the town will have one of the finest schools for its size in the state. The school board, the administration and the teachers intend to have a curriculum to match the building.

The arrangement between Plymouth State College and the district for the education of pupils in grades K-6 will be terminated on June 30, 1971. For many years the mutual benefits derived have been of great value to both parties. The district while giving up some control got in return a good education for its children at a real financial saving. There is no question but what elementary school costs will increase when operation comes entirely under the jurisdiction of the district. The contribution of the college academically and financially over the years to the education of the elementary school children of the district should be appreciated.

The staff changes in the Junior-Senior High School for this year was minimal. In every case where a vacancy occurred the position was filled with high quality instruction. This can be attributed in my opinion to (1) a salary schedule that now is competitive state-wide; (2) our geographical location; and (3) Plymouth State College. All three things plus the fact we have not yet become involved in many of the problems facing urban areas make Plymouth and surrounding towns a desirable place to settle and raise one's family. It is surprising the number of inquiries received about possible positions in education even at a reduced salary. Even with a teacher shortage in some parts of the country the prospects of finding good people to fill our teaching vacancies are promising.

The town budget committee and the school board gave a great deal of thought and put much time into the preparation of the School District Budget this year. The Tax Commission ruling that no

payment could be made or collected during the fiscal year except one-half an interest payment compounded the problem. The school district fiscal year ending on June 30 and the date of the bonds as July 1 created the situation. Another increased expense was the interest rate for the school bonds. The anticipated rate of  $4\frac{1}{2}\%$  had increased to 6% by the time we were able to sell them. This alone for next year increases the tax rate for Plymouth's portion about \$1.00 per thousand.

In spite of increased costs for schools next year, much of which is due to the new school, we are economizing wherever possible and will continue to offer a good education within the framework of our ability to pay.

Much of this report has centered around the new school. It was over fifty years ago when the high school was rebuilt after the fire. The cost of the new plant will probably be the largest expenditure the district ever faces. It is to your credit the building is a reality. Now help school officials work toward a modern changing curriculum that will continue to meet the needs of the students. The best schools and the best education results when there is a free flow of information from the school to the public and from the public back to the school.

It would be a master understatement if I did not say this has been a busy, rewarding year. I am sure the hours people connected with the schools have put in to get us where we are today is fully justified.

Respectfully submitted,

M. WAYNE BOWIE

Superintendent

## EXPLANATION OF SUPERINTENDENT'S SALARY

---

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One - half pro-rated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$11,500, which was received by the superintendent of schools of Supervisory Union No. 48 during 1968 and 1969 was made up as follows: \$4,000.00 paid by the State of New Hampshire and \$7,500.00 pro-rated among the several school districts. Allowance of \$1,400.00 for travel within the union was also pro-rated as stated above.

The table below shows the portion of salary and travel charged to each school district.

	Percentage	Salary	Travel
Campton	18.15	\$ 1,361.25	\$ 254.10
Plymouth	48.56	3,642.00	679.84

## Principal's Annual Report

---

1-30-70

I hereby submit my eighteenth annual report as Principal of Plymouth High School.

Our staff has seven new teachers this year: Mr. Simonds, mathematics; Mrs. Hopkins, Art; Mr. Floyd, French; Mrs. Garland, Home Economics; Mrs. Lawrence, Physical Education and Mr. Shoff, Jr. High Social Studies. Once again, we are fortunate in finding such splendid replacements for our staff.

Our staff has been working on curriculum revisions and changes during the year and an excellent program is planned for the new school. The students will be offered more one semester courses such as Sociology, Anthropology, Advanced Composition, World Literature, Economics and Latin American History. Afro-Asian History, Stenography II, Carpentry, World History and Earth Science are the new courses that will be offered for one year.

We feel that the above additions without an increase in faculty, will give our students excellent choices for their programs.

Naturally, everyone is excited and looking forward to our new school which will open in the fall.

The estimated enrollment figures for the school year 1970-71 as of February 1, 1970 are as follows:

Class 1971	86
Class 1972	106
Class 1973	100
Class 1974	117

### Graduates of the Class 1969

Four Year College	29
Two Year College	18
Armed Forces	10
Employed	31
Post Graduates	4

I wish to express my appreciation to the school board, Superintendent Bowie, teachers, students, parents and citizens for their help and cooperation during the past year.

Respectfully submitted,

GEORGE C. ZOULIAS

Principal

## SCHOOL NURSE'S REPORT

1969

---

The following is a report of the health program for Plymouth schools in 1969:

This year, Dr. F. D. McIver, school physician, completed physical examinations for 400 pupils. On registration day in April, the physician examined 42 pre-school children assisted by Mrs. Norma McCully, R. N.

Tuberculin skin test programs, sponsored by the N. H. Tuberculosis & Health Association were held twice during the year. In January, Dr. McIver administered the test to 56 children, assisted by Mrs. Rowena Wixson. In December 93 pupils were tested. At this time volunteer aides were Mrs. Dawn Lewis, R. N. and Mrs. Elaine Mayhew. There were no positive reactions to these tests.

In October, a Rubella Vaccination clinic was held in the Speare schools and 59 children received vaccine furnished by the N. H. Dept. of Health. Volunteer aides at this time were Mrs. Arline Bownes and Mrs. Meredith Sherman, R. N.

The Plymouth Lions Club furnished glasses for one child.

The Matching Fund Dental Health Program received contributions from:

American Legion Auxiliary  
Business & Professional Women's Club  
Enterprise Rebekah Lodge  
Home-School Association  
Plymouth Grange  
Plymouth Lodge B. P. O. E.  
Rotary Club

This program provided six appointments for school children, with Dr. D. B. Whitesell.

The Plymouth Salvation Army Fund made two contributions of fifty dollars each toward the purchase of clothing for elementary school children.

Mr. John Cronin supplied sweaters and jackets for several children.

At present there are thirteen pupils receiving free hot lunch and mid-morning milk.
